KRABI CITY TOUR (Half Day No Lunch)

Destination:	Krabi	Start City:	Krabi	End City:	Krabi
Duration:	Half Day	Private:	09.00-13.00hrs.	S.I.C.:	N/A
Depart:	Daily				

This excursion will take you to Khao Kanab Nam for sightseeing along the Krabi River by traditional long tailed boat. We visit many nice places such as caves where you can see the stalagmites and stalactites with many bats inside, mangroves forests where you may see some monkeys, water monitors and many other kinds of animals that live in this wide Mangrove Forest. Then go back to the pier and we will visit Krabi Town; a good place for shopping.

Then continue the trip Tiger Cave Temple (Wat Tham Suga), which is one of the most beautiful temples in Krabi. Its surroundings have a quiet atmosphere with plants and flowers and are suitable for relaxing and learning meditation. There are several caves where you can find limestone stalagmites and stalactites. Many big trees can be found in the temple's area. On top of the mountain stands a golden pagoda with more than 1000 steps to reach it, but beautiful views of Krabi town and Khao Kanab Nam is well worth the effort.

Susan Hoi (Shell Cemetery) – The shell graveyard at Ban Laem Poh was once a large fresh water swamp, home to a kind of freshwater snail. About 40 million years ago, it is believed that millions of these snails lived in the swamps and later there was big flooding and seawater got into the swamps and all of the snails died and formed layers upon each other. This shelly limestone is now distributed in great broken sheets of impressive magnitude on the seashore at Laem Poh Cape. You can also buy some souvenirs such as shell products, hats, handbags, pearl, etc from the shops at Susan Hoi. After visiting this interesting place, we will then get back to the hotel to relax.

After lunch, proceed to "Tha Pom" (Klong Song Nam) is a mangroves forest area where the stream runs through it. The water in the stream is so clear that you can see the bottom of it. Many tourists like to come here to swim in the lovely cold and clear water. However, we are not allowed to swim anymore in the stream because the Tha Pom Community wants the tree roots to grow up again. However; we can still admire the beauty of this place by walking on the wooden walkway through the mangrove forest. Then we will take you back to the hotel to relax.
